# RENA DA-607

# RENA INKJET ADDRESS ENVELOPE IMAGING SYSTEM

## Fast, quiet letter-quality addressing.

Capable of printing at speeds of up to 8,000 addresses per hour, the DA-607 offers letter-quality (300 dpi) or near-letter-quality printing. And it's whisper quiet, so it's right at home in either the front office or the production room.

**Unlimited fonts.** If you need a variety of typefaces, you need the DA-607. Choose from 12 internal fonts or download your own HP PCL fonts and windows true type fonts.

**Prints addresses, postal barcodes, and more!** An 8.7"-wide print area enables the DA-607 to print a return address, postal indicia, attention line, full address, and a complete postal barcode in one pass. The DA-607 also prints industrial barcodes.

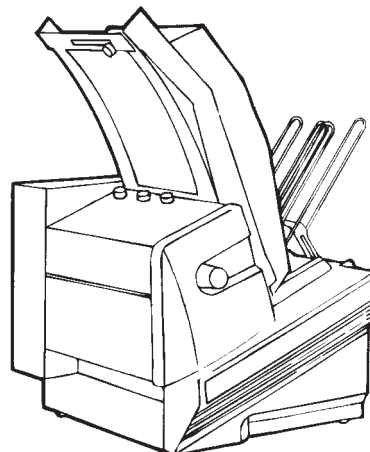

**Postal barcodes help you qualify for lower postal rates and faster delivery.** RENA's DA-607 prints the U.S.P.S. Delivery Point Barcode.

**Addresses a wide variety of mail pieces.** From postcards to large, stuffed envelopes – and everything in between.

## Prints graphics, logos, and signatures!

Only the DA-607 gives you the capability to produce truly unique, personalized mailings. Plus, the DA-607 can print individual signatures on letters. Store up to 99 settings for instant recall with the use of RENASET Setup software.

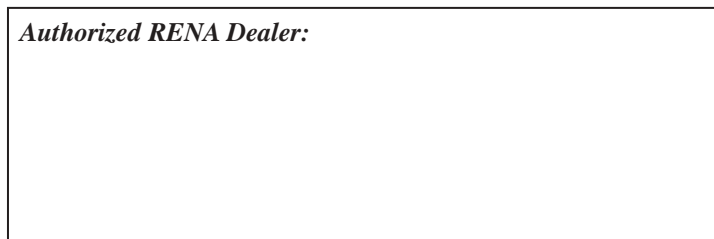

*Special feeder holds up to 800 #10 envelopes; reduces the need to continually feed envelopes.*

*Easy-to-use controls for selecting print quality, font, address position, and more.*

*Unique feeding system accepts material from 3" to 19-1/2" long and 2" to 17" wide.*
